15 May 1968

MEMORANDUM FOR THE RECORD

Morning Meeting of 15 May 1968

X1 [REDACTED]

DD/I briefed on Bruce Clarke and Karl Weber's visit to the newest nuclear attack submarine.

Godfrey drew attention to MACV [REDACTED] sources indicating large-scale enemy troop movements from the Cambodian/Laos border to the Dak To area, seemingly presaging a major enemy military action. The Director asked that he be advised of the latest information in this connection by 1700 today.

Godfrey referred to a report that General Vallarino's position is ambivalent in connection with the outcome of the Panamanian election.

D/ONE briefed on tomorrow's USIB agenda, noting that the PNIO's appear in good shape, that the Korea SNIE has been coordinated at the working level, and that a Navy reservation to the Memorandum to Holders of NIE 11-6 and NIE 11-9 has been worked out.

25X1 D/ONE advised that [REDACTED] has been invited to a seminar at the Adlai Stevenson Institute on post-Vietnam U. S. foreign policy. The Director said that he will consider the possibility of [REDACTED] attendance.

25X1 [REDACTED] reported that Maury is meeting with Congressman Rivers this morning.

Bross noted that he will be seeing General Carroll in connection with his appearance before the House Appropriations Committee.
